The Carl Henry Band brings a lot of talent, and almost a century of combined experience to every performance they do. You will not be able to keep your feet from stompin' as they lead you down the musical roads of American music, from Blues to Boogie, Country to Rock you can expect to hear it all from this super line up of musicians, which includes:

Carl Henry: Guitar, Dobro, and vocals

Tony "Tone" Berci: Harmonica

Denny "Professor" Pullin: Bass

Stewart Tucker: Drums and Percussion

Formed in the late 1980's the band has performed many venues throughout Michigan, including Callahan's, The Cadieux Cafe, The Hastings Street Ballroom, The Timberwolf Tavern, and many many more. The band was honored to host the Detroit Blues Society's Christmas meeting for 2011, and was proud to be a part of the "Headstone Project" recording and releasing a live cd, along with The Alligators, and Detroit harmonica legend "Little Sonny" Willis which is available at www.nocover.net. It was produced by Detroit Music Award winner Peter Jay, and the entire purchase funds gravestones on unmarked Blues greats gravesites.
